

Eye Contact

come ruckus with me
 contact and hit back
for reasons so clear
 yet unspoken
irreconcilable and not viable
we will be terrible
 when together
for not want of honesty
this mess, you and i will be
 be brash young lady
as you run to it
 this secret sinister evening
i will dare to sware
 they you will ru(i)n
 for your life
for this collision
 one day
better and deader
 commit
give me the key to your
 heart...
i need to do a bump
